SEVEN CORNERS

why choose seven corners?

why you need this program

The United States offers the most comprehensive medical care, but it is often complicated as well as very expensive. For a visitor to the United States or a recent immigrant, finding an insurance program that is easy to understand and reasonably priced is often difficult.

As a solution, Inbound® USA was developed to provide a simple program to visitors and immigrants.

This is a brief description of the Inbound® USA program. Detailed wording is outlined in the Program Summary, which will be sent to you once you have enrolled in Inbound® USA.

eligibility

This program is available to non-United States citizens who come to the U.S. for business, pleasure, or to study. The program must become effective within twelve (12) months of arrival in the United States.

network

What does this mean for you? If you visit one of our network physicians or facilities, the bill from your provider will automatically be reviewed for possible discounts. The scheduled benefit limits and the deductible will then be applied. If there is a remaining balance, you will be notified of the amount you owe. Please note: the amount of the discount varies based on the doctor, hospital and procedure. In some cases, a reduction in pricing may not be available.

You are not required to use our network; however any treatment received outside of the network will not be presented for possible discounts. To view our network go to: www.sevencorners.com/ppo
